\* if applicable

**DEADLINE REQUESTED FOR INSTALLATION:** \_\_\_\_\_

Happy New Year! We hope this note finds you well. 2015 was a great year for us here at Bulmann Dock & Lift. We'd like to thank everyone that has supported us over the past 18 years. We've come a long way and we couldn't have done it without you! We're excited for 2016 and we're currently getting ready for the upcoming season. For many of you this letter is a good indication that there's only a few short months before you're back on the lake enjoying your Bulmann Dock & Lift! For our customers on Lake Michigan and it's connecting waterways, the water level forecast currently shows a projected increase of 2-4" from last years peak level. Installation locations and layouts should be the same as last year unless otherwise requested below. We're also pleased to announce a new addition to the Bulmann Dock & Lift team, Miki Campbell. Miki comes to us with years of experience in offices around Northern Michigan. She will be our new accounts receivable specialist. Miki will be a great addition for all of us!

**\*\*\*NOTE: CANOPIES WILL BE INSTALLED AFTER BOATS/PWCs ARE ON LIFTS TO PREVENT BLOW-OVER\*\*\***

PLEASE INDICATE ANY CHANGES OR DIFFERENCES FROM 2015. FEEL FREE TO DRAW A DIAGRAM ON THE REVERSE SIDE OF THIS SHEET OR ATTACH A SEPARATE DIAGRAM TO ENSURE AN ACCURATE INSTALLATION: \_\_\_\_\_

PLEASE RETURN BY **MARCH 25<sup>th</sup>, 2016** TO ENSURE YOUR INSTALLATION DATE. E-MAIL, FAX, OR MAIL YOUR RESPONSE TO: [ryan@bulmanndock.com](mailto:ryan@bulmanndock.com) • 231-582-5027 • 175 Magnet Dr. Boyne City, Mi. 49712

Installation priority is determined by requested dates, payment history, date in which we receive your installation request, and by what the weather will allow. Wind intensity and direction are critical factors in determining each day's schedule, making set appointments difficult. We will accommodate appointments to the best of our ability. We will install your equipment as close to your requested date as possible.
